Evaporator Coil
Cleaner & Degreaser

DIRECTIONS FOR USE

This product must be used in accordance with the directions by HVAC professionals only.

WHERE TO USE
Cleans condensers, evaporators, grills and permanent filters in HVAC systems.

HOW TO APPLY
❶Read entire label and Safety Data Sheet before use. ❷ Disconnect all power before working on equipment. ❸Protect surrounding area from over-spray. ❹Using a suitable low-pressure sprayer, dilute Evaporator Coil Cleaner and Degreaser with water according to dilution rates below. ❺Use coarse spray to avoid misting. Spray using horizontal motion, working from the bottom up. ❻Wait 5 to 10 minutes. ■**Condensers:** Rinse completely with large amounts of water. Do not allow product to dry on condenser coils. ■**Evaporators:** Resume normal operation. Condensate from unit will flush coil. Self-rinsing at 1:10 dilution. ■**Grills, Electronic and Permanent filters:** Do not allow product to dry on surfaces. Wipe up drips, over-spray. Rinse area with sponge or cloth dampened with water. ❼Flush sprayer completely with water after use.

HOW TO DILUTE
ADD 1 PART **Evaporator Coil Cleaner & Degreaser** to:
- ■**Condensers** - 6 parts water
- ■**Evaporators** - 10 parts water
- ■**Grills, Electronic & Filters** - 20 parts water

SAFETY PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.
DANGER: Causes severe skin burns and eye damage. Store locked up. Wear eye and face protection. Wear protective gloves and clothing.

FIRST AID
Wash exposed body parts thoroughly after handling. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call poison control center. **If on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash exposed body parts thoroughly after handling. Wash contaminated clothing before reuse. **If skin irritation occurs:** Get medical advice.

RIGHT TO KNOW
Ingredients: Water (CAS No. 7732-18-5), Sodium metasilicate (CAS No. 6834-92-0), Sodium iminodisuccinate (CAS No. 144538-83-0), Sodium gluconate (CAS No. 527-07-1), Sodium lauroyl sarcosinate (CAS No.137-16-6), Aminomethyl propanol (CAS 124-68-5), Colorant (Liquitint® Bright Yellow).

VOCs: 0.00% (0.000 lbs./gallon). See Safety Data Sheet (SDS).

STORAGE AND DISPOSAL
Store in original container. Dispose of contents and container in accordance with all local, regional and national regulations. Large or frequent spills can be harmful to the environment. Do not discharge to sewer of waterways.
