Universal Coil
& Microchannel Cleaner

OdoBan®
HVAC Professional
For Professional Use Only

Universal Coil & Microchannel Cleaner is a concentrated plant-based detergent coil cleaner, specifically formulated for "no-rinse" application on indoor coils in air conditioning systems. Its metal-safe formula protects metal, while its detergents clean away greasy dirt and dust in air conditioning and refrigeration coils.

DIRECTIONS FOR USE

This product must be used in accordance with the directions by HVAC professionals only.

WHERE TO USE
Cleans indoor evaporator coils, roof top units, window units, metal filters and fan blades. Ideal for aluminum coils, including microchannel design.

HOW TO APPLY
❶Read entire label and Safety Data Sheet before use. ❷Disconnect all power before working on equipment. ❸Protect surrounding area from over-spray. ❹Using a suitable low-pressure sprayer, dilute Universal Coil and Microchannel Cleaner 1 part with 3 parts water. ❺Use coarse spray to avoid misting. Spray using horizontal motion, working from the bottom up. ❻Rinsing is not required. ❼Return system to service. ❽Flush sprayer completely with water after use.

HOW TO DILUTE
ADD 1 PART **Universal Coil & Microchannel Cleaner** to 4 parts water

SAFETY PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.
WARNING: Causes eye irritation.

FIRST AID
Wash exposed body parts thoroughly after handling.
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

RIGHT TO KNOW
Ingredients: Water (CAS No. 7732-18-5), Caprylyl/myristyl glucoside (CAS No. 68515-73-1), Sodium lauroyl sarcosinate (CAS No. 137-16-6), Sodium gluconate (CAS No. 527-07-1), Aminomethyl propanol (CAS No. 124-68-5), Benzisothiazolinone (CAS No. 2634-33-5), Colorant (Liquitint® Bright Yellow/Liquitint® Patent Blue).

VOCs: 0.00% (0.000 lbs./gallon). See Safety Data Sheet (SDS).

STORAGE AND DISPOSAL
Store in original container. Dispose of contents and container in accordance with all local, regional and national regulations.
