Odor Neutralizer

Eliminates Dirty Sock Syndrome Odor

OdoBan®

HVAC Professional

For **Professional** Use **Only**

HVAC Odor Neutralizer is ready to use, specifically formulated for "no-rinse" application on indoor coils in air conditioning systems. Its metal-safe formula protects metal while its odor complexing agents eliminate odors in air conditioning and refrigeration coils.

DIRECTIONS FOR USE

This product must be used in accordance with the directions by HVAC professionals only.

WHERE TO USE

Indoor evaporator coils, roof top units, window units, metal filters and fan blades. Ideal for aluminum coils, including microchannel design.

HOW TO APPLY

❶Read entire label and Safety Data Sheet before use. ❷Disconnect all power before working on equipment. ❸Protect surrounding area from over-spray. ❹Use a suitable low-pressure sprayer. Do not dilute. ❺Use coarse spray to avoid misting. Spray using horizontal motion, working from the bottom up. ❻Rinsing is not required. ❼Return system to service. ❽Flush sprayer completely with water after use.

DILUTION RATE

Ready-to-Use. DO NOT dilute.

SAFETY PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.
WARNING: Causes eye irritation.

FIRST AID

Wash exposed body parts thoroughly after handling.
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

RIGHT TO KNOW

Ingredients: Water (CAS No. 7732-18-5), Polymeric zinc itaconate complex (CAS No. 1662663-05-9), Diethylenetriamine penta (methylene phosphonic acid), Sodium salt (CAS No. 22042-96-2), 5-Chloro-2-methyl-4-isothiazolin-3-one (CAS No. 26172-55-4 and 2682-20-4).

VOCs: 0.00% (0.000 lbs./gallon). See Safety Data Sheet (SDS).

STORAGE AND DISPOSAL

Store in original container. Dispose of contents and container in accordance with all local, regional and national regulations.
